### **Account Access:**

You may access your account using Keesler Online Account Access any time, seven (7) days a week twenty-four hours a day using standard computer software through the Internet at [www.kfcu.org](http://www.kfcu.org). While Keesler Federal makes every effort to maintain reliable access to our online services, periodic downtime for system maintenance is necessary.

### **Withdrawals by Check:**

You may withdraw funds from your account or request a KreditLine loan advance by check. All check withdrawals will be made payable to the primary account holder and mailed only to the address on file.

### **Periodic Statement:**

You will receive a monthly statement on your account unless there are no transactions in a particular month in which you will receive a statement at least quarterly.

### **Errors:**

In case of errors on your electronic transfers, you may write us at:

Keesler Federal Credit Union

or phone us at:(228) 385-5500 (Gulf Coast area) or 1-888-533-7537 (continental US), or through the Keesler Online eMailbox. We will need the following information: 1) Your name and account number, 2) Description of the error or transfer you are unsure about, 3) The dollar amount of the suspected error. If you tell us orally, we may request that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct the error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have use of the money during the time it takes to complete our investigation. If we decide there was no error, we will send you a written explanation within three (3) business days after we complete our investigation. You may ask for copies of the documents that we used in our investigation. We may impose a charge to your account to recover our investigation expenses if no error occurred.

### **Business Days:**

Our business days are Monday through Friday, excluding credit union holidays.

### **Your Liability:**

You must tell us at once if you believe your user password has been lost, stolen, or otherwise compromised. Telephoning is the best way of keeping your personal losses down. If you tell us within two (2) business days after you learn of the loss or theft, you can lose no more than \$50.00 if someone

used your password without your permission. If you do not tell us within two (2) business days after you learn of the theft or loss of your password and we could have stopped someone from using your password without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have prevented the loss if you had told us.
