

QuickBooks Online Conversion Instructions

Small Business / Freelancer / Advanced

Introduction

As Keesler Federal Credit Union completes its system conversion, QuickBooks Online settings will need to be updated to ensure transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, use your login credentials for online banking.

It is important that you perform the following instructions exactly as described and in the order presented. This conversion should take 15–30 minutes.

Documentation and Procedures

Conversion – Information Only

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

IMPORTANT: QuickBooks Online connectivity services may be interrupted up to 5 business days after the conversion is complete.
