Enter your account number.

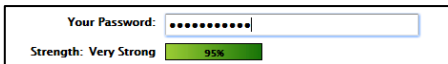

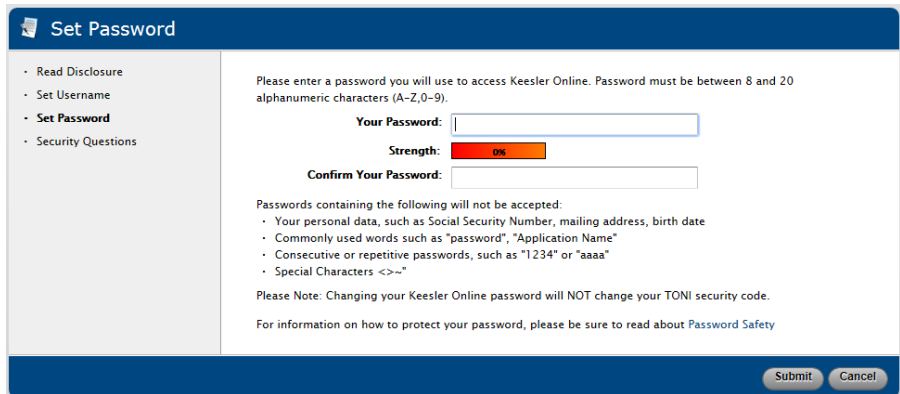

Confirm your account number then enter your temporary password.

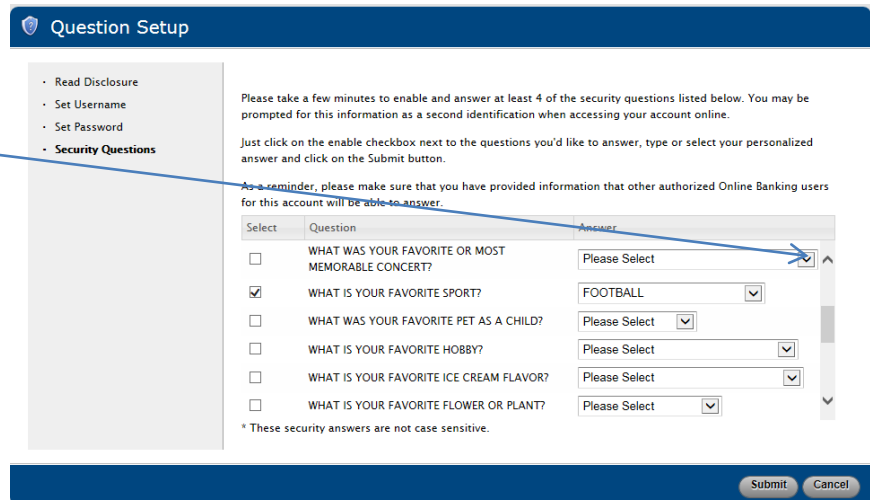

You will now create your unique username. Enter your username in both boxes.

Next, you will create your password. Be sure to make this challenging. The strength bar will tell you if the password is good. (see below)

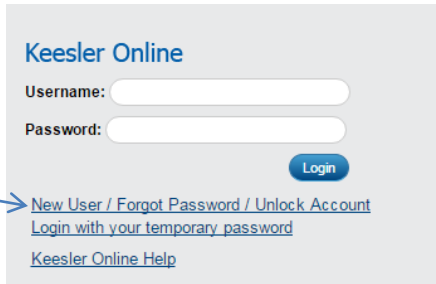

Choose four security questions. Simply click the dropdown menu next to the question and select your answer. The system will automatically check the "Select" box next to the question you've chosen. Be sure to choose questions that only you know the answer to.

Congratulations!
Your enrollment to Keesler Online is complete.

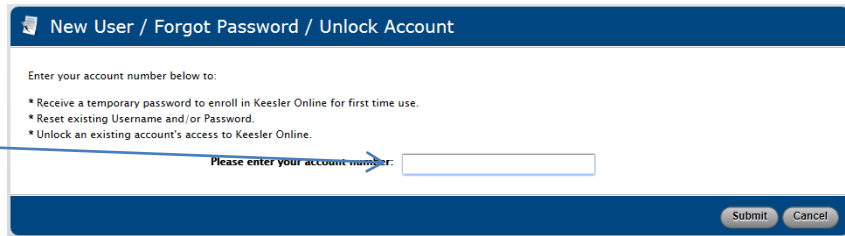

Forgot Password/Forgot Username/Unlock Account

Click on the Forgot Password/Unlock Account link to get started.

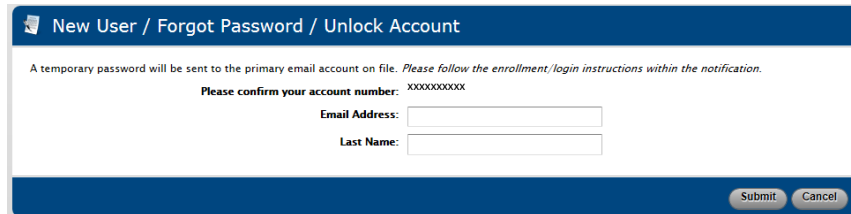

The screenshot shows the Keesler Online login page. It features a 'Username:' field, a 'Password:' field, and a blue 'Login' button. Below the login fields are three links: 'New User / Forgot Password / Unlock Account', 'Login with your temporary password', and 'Keesler Online Help'. A blue arrow points from the text on the left to the first link.

Enter your account number

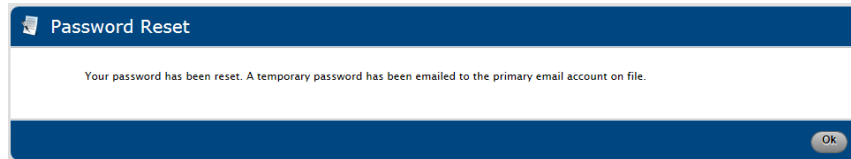

This screen is titled 'New User / Forgot Password / Unlock Account'. It asks the user to 'Enter your account number below to:' and lists three options: receiving a temporary password, resetting existing credentials, or unlocking an account. A text input field is labeled 'Please enter your account number:' with a blue arrow pointing to it from the text on the left. 'Submit' and 'Cancel' buttons are at the bottom right.

A temporary password will be emailed to you. Please note: You must have a valid email address on this account to get started.

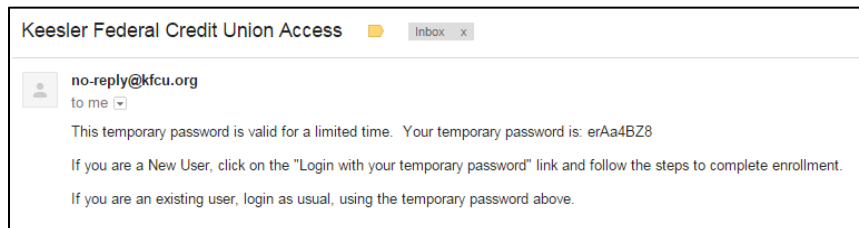

This screen is titled 'New User / Forgot Password / Unlock Account'. It states that a temporary password will be sent to the primary email account. It asks the user to 'Please confirm your account number:' (with a masked input field 'XXXXXXXXXX'), 'Email Address:', and 'Last Name:'. 'Submit' and 'Cancel' buttons are at the bottom right.

Check your email to get your temporary password. This is only available for a very limited time. If the password expires you will need to request a new password.

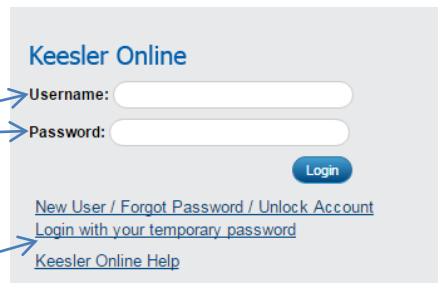

The screenshot shows a 'Password Reset' message box. It contains the text: 'Your password has been reset. A temporary password has been emailed to the primary email account on file.' An 'OK' button is located at the bottom right.

Once you receive this email, go back to the Keesler Online Login screen on our website home page.

The screenshot shows an email from 'no-reply@kfcu.org'. The body text reads: 'This temporary password is valid for a limited time. Your temporary password is: erAa4BZ8. If you are a New User, click on the "Login with your temporary password" link and follow the steps to complete enrollment. If you are an existing user, login as usual, using the temporary password above.'

Login with your username and temporary password.

This is another screenshot of the Keesler Online login page, identical to the first one. It shows the 'Username:' and 'Password:' fields, the 'Login' button, and the links for 'New User / Forgot Password / Unlock Account', 'Login with your temporary password', and 'Keesler Online Help'. A blue arrow points from the text on the left to the 'Login' button.

(Note: Only click the Login with your temporary password link if you forgot your username. Then, use your account number to login to reset username)
